Preface

Due to recent pandemic, the 2021 2nd International Conference on Education Technology, Economic Management and Social Sciences (ETEMSS 2021) which was planned to be held in Dalian, China, was held virtually online during May 22-23, 2021. The decision to hold the virtual conference was made in compliance with many restrictions and regulations that were imposed by countries around the globe.

Such restrictions were made to minimize the risk of people contracting or spreading the COVID-19 through physical contact. There were 50 individuals who attended this online conference, represented many countries. ETEMSS 2021 aims to bring together researchers, scientists, engineers, and scholar students to exchange and share their experiences, new ideas, and research results about all aspects of education science and economic management, and discuss the practical challenges encountered and the solutions adopted. Therefore, it will a good chance for you to make friends in scholarism.

The insightful speeches had triggered heated discussion in the sessions of the conference. Every participant praised this conference for disseminating useful and insightful knowledge. The proceedings are a compilation of the accepted papers and represent an interesting outcome of the conference. The help and contribution of each individual and institution was instrumental in the success of the conference. In particular, we would like to thank the organizing committee for the valuable inputs in shaping the conference program and reviewing the submitted papers.

We sincerely hope that the ETEMSS 2021 turned out to be a forum for excellent discussions that enabled new ideas to come about, promoting collaborative research. We are sure that the proceedings will serve as an important research source of references and knowledge, which will lead to not only scientific and engineering findings but also new products and technologies.

With warmest regards,

ETEMSS 2021 Organizing Committees
